Title: BehaviorTools Course Pre-Requisites

Policies:

It is the policy of PCMA to provide multiple levels of certification in the BehaviorTools curriculum to allow participants the most flexibility in their training. PCMA offers a more basic BehaviorTools course and successful completion of this course is necessary for successfully completing more advanced course.

- A) In order to take an attendance based BehaviorTools Practitioner Course (the more advanced course), a participant must have taken and passed a BehaviorTools Basic Practitioner Course at some time in the past.
- B) In order to take a competence based BehaviorTools Practitioner Course (the more advanced course), a participant must have a current competence based certification (not past expiration grace period) as a BehaviorTools Basic Practitioner.
- C) In order to take a BehaviorTools Instructor Course (the more advanced course), a participant must have a current certification (not past expiration grace period) as a BehaviorTools Basic Instructor.
